Claim 9 has been rewritten in independent form and claim 10 has been amended to address dependency and matters of form. Claims 11-17 have been amended to address matters of form. The title and the specification have been amended to address matters of form. Applicant respectfully submits that no new matter has been added.\*

The Examiner is thanked for indicating that claims 11-16 are allowed and that claims 2-5 and 7-10 would be allowed if rewritten in independent form. Claims 2, 4, 7 and 9 have been rewritten in independent form, as indicated above.

1. The objection to the title is noted, but overcome by the amended title submitted above.
2. The objection to claims 6, 7, 11 and 14 are noted, but deemed moot in view of the cancellation of claim 6 and amended claims 7, 11 and 14, submitted above. With respect to the objection to claim 7, the proper spelling of the device is "zonde" as described on page 4, lines 16-22 of the specification. Accordingly, Applicant respectfully requests that the Examiner reconsider and withdraw this objection.
